Sir:

I notice by payroll General department accompanying your Ordinary expense account for September that three Watchmen have each been credited with one day overtime. I will thank you to explain how this overtime was made. I do not think the precedent of granting overtime to watchmen a good one and besides, with your large force of watchmen, I cannot understand the necessity therefor.

Please reply without delay as your accounts are held up pending your answer.

Respectfully Yours,

E. O. Leech
